(54) DRESSING WASHSTAND

(57)Abstract:

PURPOSE: To improve the convenience for use of an auxiliary mirror, additionally provided to a main mirror.

CONSTITUTION: An upper cabinet 3 is erected above the back of a lower cabinet 2 provided with a washbowl 1. The upper cabinet 3 is provided on the front face with a main mirror 4 having one side pivotably connected thereto to be opened and closed. A heater cover 6 is attached to the back of the main mirror 4 to cover a blur preventing heater 5 provided on the back of the main mirror 4. An auxiliary mirror 7 is pivotably connected to the other side of the heater cover 6 located in the opposite side to the pivotal section at one side of the main mirror. Also, the auxiliary mirror 7 may be provided on the side of the heater cover 6 to be horizontally pivoted. Also, a receiving recession for receiving and disposing the auxiliary mirror 7 may be provided on the rear side of the heater cover 6 to put the auxiliary mirror in and out of the receiving recession.
